RIP Marty King, USC Punter and National Champ #1

01-16-2017, 10:59 PM

Sad news to report that Marty King, a member of 1978 national title winners, has passed away. Marty was a police officer and then a straight shooting defense attorney after football ended for him. He was a good husband and father and a great Trojan. As a prosecutor, I knew when I had a case with Marty I could trust his opinions on the Trojans as much as what he told me about his client. He will be missed in our legal community, at bellarmine and I am sure by many on this board who remember him. That national champs ring always looked great on him.
